

2020 Legislative Candidate Questionnaire for Developmental Disabilities

Name: Koshin Mohamed Fidaar

District: 29

Position: 1

1. If you have a personal connection or professional experience with someone who has a developmental disability, would you describe its impact on you?

I have a half brother who has developmental disability. I have strong emotional connection particularly to this issue.

2. What are your top three legislative priorities and how would you help people with developmental disabilities in them?

Jobs, education, criminal justice reform.

3. With the current economic crisis, how would you protect services that people with I/DD and their families need?

The current economic crisis are devastating our communities across the board especially low income, and working families.

Coronavirus also disproportionately affects this segment of society. Therefore, I will be advocating the need to provide additional support for this segment of society.

4. Is there other information you'd like constituents with developmental disabilities and their family and friends to know?

As an immigrant, a son of a working family, and working father of 4 children, I know what these communities are going through. With your support, I will be the most informed legislator in this issues.
