

2018 Candidate Questionnaire for Developmental Disabilities

Name: Charlie Jackson

District:

Position: Congress - Senate

While we all have our priorities and yours is admirable, my focus is attempting to help all kids by stopping this nations runaway debt; here are some of my thoughts, please let me know if this helps you any.

Charlie R Jackson for Senate (Independent)

Elected Experience: None, just an older blue collar worker who finds leaving our kids over \$21 Trillion in debt and squandering over \$12 Trillion in interest payments so far with Trillions more still owed to be incomprehensible.

Other Professional Experience: 4 years United States Navy assigned to an Aircraft Carrier (USS Coral Sea), Container Ships, Ferry Boats, Research ships, and Tankers. Licensed by the United States Coast Guard, For MEBA

Education: School of Hard Knocks; University of Life

Community Service: For years have been questioning the wisdom of leaving our kids and grandkids in economic servitude because of our Nation Debt and Trillions squandered on Interest.

Statement: Our Kids' Inheritance is Economic Slavery. The national debt exceeds \$21,100,000,000,000; Interest Paid is Over \$12,200,000,000,000. What were they (leadership in Washington D.C.) thinking!

Solution for National Debt: Until 1963 the highest tax rates were over 80 percent reaching 94 percent in 1944 & 1945; that's how World War II, the Korean War, the Interstate Freeway System our bridges and the infrastructure was paid for, those rates will be necessary again to pay down the National Debt.

Alternate National Debt Solution: All income to be taxed at adjusted flat rates listed as follows no exceptions, no deductions and no credits: under 25k 7½%, 25k-50k 10%, 50k-75k 12½%, 75k-100k 15%, 100k-150k 20%, 150k-250k 25%, 250k-500k 30%, 500k-1mil 40%, 1mil-2mil 50%, above 2mil 100%. When debt is paid off taxes to drop proportionately to sustain spending. Example; 50% across the board reduction in taxes would lower the under 25K rate to 3¾% and the above 2 million rate to 50%.

The Issue of Corporate Citizenship, From A Former Corporate Lawyer: Add one sentence to corporate law and thus create what is called the 'Code for Corporate Citizenship'. Directors and officers would still have a duty to make money for shareholders, "but not at the expense of the environment, human rights, the public safety, the communities in which the corporation operates or the dignity of its employees."

Solution For Gerrymandering: To stop Gerrymandering use districts drawn up using Zip Codes as they are set up now. DO NOT ALLOW Zip Codes to be redrawn but just add or subtract a Zip Code North, South, East or West to get the desired number of people needed in each District.

Eliminate Shell Companies and Shell Corporations: We the People should be able to figure out who, or which Corporation, Foreign or Domestic, owns what.
