He was able to stay in our community and continues to stay in our community with appropriate supports.

15:05:01 From Megan Juneau : More like 90-100

15:05:16 From Intérprete Amanda : de Cheryl: Estos testimonios me afectan - yo sé que nuestro estado quitó los apoyos de jóvenes de esta edad lo cual hizo que los padres de familia "escogieron" mandar a sus hijos a otro estado. Tengo suerte de que mi hijo pudo utilizar estos servicios salvavidas antes de que cambiara la ley. Él pudo quedarse en nuestra comunidad y sigue en nuestra comunidad con apoyo apropiado.

15:05:36 From Katrina Davis : Thanks Megan. 90-100 cases for each DDA case manager.

15:05:39 From Stacy Dym : love the polls Diana!

15:05:56 From Jeremy Norden-Paul DDC : Yes, the non-enhanced ratio is much higher. Maybe 70 or higher. I can look that up. Others may know for sure. It needs to be much lower!
